GRADE XII ACCOUNTANCY

Rationale

The course in accountancy is introduced at plus two stage of senior second of school education,

as the formal commerce education is provided after ten years of schooling. With the fast changing economic scenario, accounting as a source of financial information has carved out a place for itself at the senior secondary stage. Its syllabus content provide students a firm foundation in basic accounting concepts and methodology and also acquaint them with the changes taking place in the preparation and presentation of financial statements in accordance to the applicable accounting standards and the Companies Act 2013.

The course in accounting put emphasis on developing basic understanding about accounting as an information system. The emphasis in Class XI is placed on basic concepts and process of accounting leading to the preparation of accounts for a sole proprietorship firm. The students are also familiarized with basic calculations of Goods and Services Tax (GST) in recording the business transactions. The accounting treatment of GST is confined to the syllabus of class XI.

The increased role of ICT in all walks of life cannot be overemphasized and is becoming an integral part of business operations. The learners of accounting are introduced to Computerized Accounting System at class XI and XII. Computerized Accounting System is a compulsory component which is to be studied by all students of commerce in class XI; whereas in class XII it is offered as an optional subject to Company Accounts and Analysis of Financial Statements. This course is developed to impart skills for designing need based accounting database for maintaining book of accounts.

The complete course of Accountancy at the senior secondary stage introduces the learners to the world of business and emphasize on strengthening the fundamentals of the subject.

Objectives:

1. To familiarize students with new and emerging areas in the preparation and presentation of financial statements.

- 2. To acquaint students with basic accounting concepts and accounting standards.
- 3. To develop the skills of designing need based accounting database.
- 4. To appreciate the role of ICT in business operations.

5. To develop an understanding about recording of business transactions and preparation of financial statements.

6. To enable students with accounting for Not-for-Profit organizations, accounting for Partnership Firms and company accounts.

ACCOUNTANCY CLASS-XII

Time: 3 Hrs. Theory: 80 Marks Project: 20 Marks

Units		Periods	Marks
Part A	Accounting for Not-for Profit		
	Organization, Partnership firms and		
	Companies		
	Unit 1: Financial Statements of Not-for	25	10
	Profit Organizations		
	Unit 2: Accounting for partnership firms	90	30
	Unit 3: Accounting for Companies	35	20
	Total	150	60
Part B	Financial Statements Analysis		
	Unit 4 : Analysis of Financial Statements	30	12
	Unit 5 : Cash flow statement	20	8
	Total	50	20
Part C	Project Work		
	Project work will include:		
	Project File	4 Marks	
	Written test	12 Marks (one hour)	
	Viva	4 Marks	
	OR		
Part B	Computerized Accounting		
	Unit 4: Computerized Accounting	50	20
Part C	Practical Work	20	20
	Practical work will include:		
	Practical File 4 Marks		
	Practical Examination 12 Marks (one		
	Hour)		
	Viva 4 Marks		

Part A: Accounting for Not-for-Profit Organizations, Partnership Firms and Companies.

UNIT 1: FINANCIAL STATEMENTS OF NOT-FOR-PROFIT ORGANIZATIONS

Units/ Topics	Learning Outcomes	
 Not-for-profit organizations: concept. Receipts and Payments Account: features and preparation. Income and Expenditure Account: 	 After going through this Unit, the students will be able to: state the meaning of a Not-for-profit organisation and its distinction from a 	
features, preparation of income and expenditure account and balance sheet from the given receipts and payments account with additional information. Scope:	 profit making entity. state the meaning of receipts and payments account, and understanding its features. develop the understanding and skill of preparing receipts and payment account. 	
 (i) Adjustments in a question should not exceed 3 or 4 in number and restricted to subscriptions, consumption of consumables and sale of assets/ old material. (ii) Entrance/admission fees and general donations are to be treated as revenue receipts. (iii) Trading Account of incidental activities is not to be prepared. 	 state the meaning of income and expenditure account and understanding its features. develop the understanding and skill or preparing income and expenditur account and balance sheet of a not for-profit organization with the help of given receipts and payment account and additional information. 	

UNIT 2: ACCOUNTING FOR PARNERSHIP FIRMS:

Units/ Topics	Learning Outcomes	
Partnership: features, Partnership	After going through this Unit, the students	
Deed.	will be able to:	
• Provisions of the Indian Partnership	• state the meaning of partnership,	
Act 1932 in the absence of	partnership firm and partnership deed.	
partnership deed.	• describe the characteristic features of	
• Fixed v/s fluctuating capital accounts.	partnership and the contents of	
Preparation of Profit and Loss	partnership deed.	
Appropriation account- division of	• discuss the significance of provision	
profit among partners, guarantee of	of	
profits.	Partnership Act in the absence of	
• Past adjustments (relating to interest	partnership deed.	
on	• differentiate between fixed and	

- capital, interest on drawing, salary and profit sharing ratio).
- Goodwill: nature, factors affecting and
- methods of valuation average profit, super profit and capitalization.

Note: Interest on partner's loan is to be treated as a charge against profits.

Goodwill to be adjusted through partners capital/current account or by raising and writing off goodwill (AS 26)

Accounting for Partnership firms -Reconstitution and Dissolution.

- **Change in the Profit Sharing Ratio** among the existing partners sacrificing ratio, gaining ratio, accounting for revaluation of assets and reassessment of liabilities and of reserves treatment and accumulated profits. Preparation of revaluation account and balance sheet.
- Admission of a partner effect of admission
- of a partner on change in the profit sharing ratio, treatment of goodwill (as per AS 26), treatment for revaluation of assets and reassessment of liabilities, treatment of reserves and accumulated profits, adjustment of capital accounts and preparation of balance sheet.
- Retirement and death of a partner: effect of retirement / death of a partner on change in profit sharing ratio, treatment of goodwill (as per AS 26), treatment for revaluation of assets and reassessment of liabilities, adjustment of accumulated profits and reserves, adjustment of capital accounts and preparation of balance sheet. Note: Previous years' Proposed Dividend to be given effect, as prescribed in AS-4, Events occurring after the Balance Sheet date. Current years' Proposed Dividend will be accounted for in the next year after it is declared by the shareholders.

PROJECT WORK:

Note: Kindly refer to the Guidelines published by the CBSE. The comprehensive project may contain simple GST calculations.

OR

Part B: Computerised Accounting Unit 3: Computerised Accounting

Overview of Computerised Accounting System

- Introduction: Application in Accounting.
- Features of Computerised Accounting System.
- Structure of CAS.
- Software Packages: Generic; Specific; Tailored.

Accounting Application of Electronic Spreadsheet.

- Concept of electronic spreadsheet.
- Features offered by electronic spreadsheet.
- Application in generating accounting information bank reconciliation statement; asset accounting;
- loan repayment of loan schedule, ratio analysis
- Data representation- graphs, charts and diagrams.
- Using Computerized Accounting System.
- Steps in installation of CAS, codification and Hierarchy of account heads, creation of accounts.
- Data: Entry, validation and verification.
- Adjusting entries, preparation of balance sheet, profit and loss account with closing entries and
- opening entries.
- Need and security features of the system.
- Database Management System (DBMS)
- Concept and Features of DBMS.
- DBMS in Business Application.
- Generating Accounting Information Payroll.

Part C: Practical Work
